Alaska Backcountry Bike Tours

Welcome! What brings you to Alaska to bike? If you are like many of our customers, you are looking for an extraordinary vacation that will leave you with memories you can cherish. In Alaska you will drink in the fresh clean air of our untouched wilderness. You will escape to a place of wonder, experiencing all the raw beauty our backcountry has to offer. You will feel the natural high from the challenge-level of your choice and leave with a newfound sense of energy.

Why choose a bike tour? Perhaps you desire the physical sense of accomplishment without the hassle of planning. Maybe you're seeking the fun camaraderie of like-minded folks. Many of you also want security: both the security of getting the most out of your vacation investment and also ensuring your safety. We deliver on all of these desires.

Why are we the Best choice for you?

Experience

Our guides have over 10 years of experience with biking in Alaska. We are certified in first aid/CPR. We know the countryside. We know biking. And we know safety.

Client Satisfaction
